

Book Buddy Bag

It's time for Book Buddies!

In your Book Buddy bag, you will find a book that I selected for your child to read with you!

Please have your child read this book every night. At first, your child may need help. Your child should be able to read most of the words independently, as these books are chosen because they have many of our sight words and decodable words. Encourage your child to read the words they know and use picture clues or blending to read unknown words. If you have to help them with a word, have them re-read the sentence while pointing to the words.

Almost every week, a new book will come home. I will trade out the books as needed. Book buddy bags/books need to come back and forth to school each day, even if I don't meet with your child that day. I will only meet with one Book Buddy group a day.

Just like library books, please try to keep these books away from food, drinks, pets and little ones. Encourage your child to be responsible for taking care of the books and remembering to bring it every day!

Happy Reading!
